IMPORTANT APPLICATION SUBMISSION INFORMATION

- You must obtain a valid student identification number or your application will be voided.
  - ➤ For students *(New, Former or already have an ID)* not currently attending a Prince George's County Public School, parents and/or legal guardians may obtain a Student ID Number or update their address by going to their attendance boundary school with the following documents: proof of residence and birth certificate. Inform the Registrar that you need to update the address on file and/or obtain a Student ID Number to complete this lottery application.
  - ➤ If your child is **currently** attending a Prince George's County Public School, locate the student number on your child's report card, or go to your child's current school and obtain the student identification number from the Registrar.
- Lottery school assignments are final and based on residence and space availability.
- If your child is currently enrolled in a specialty school program, use this form only if you wish to change to a different specialty program.
- Signature of parent or legal guardian indicates the information given is true. Any misrepresentation may result in the student's exit from the assigned specialty school.
