Handbook**

Arrival

School begins at 9:00 am. Children arriving before 8:35 cannot be supervised and must remain outside of the building until the official start of school. If you transport your child by car, please drop your child off away from the bus loading/unloading area. This will prevent accidents...

More importantly, it is safer for the children.

Tardies

Any student arriving at school after 9:00 am should report to the office for a tardy slip. Tardiness places a student at a disadvantage in starting his/her day. A note should accompany your child to explain the reason for tardiness.

Dismissal

Dismissal for students is 3:10 P.M. Students who are picked up by Parents or Day Care centers should be in the multipurpose room at 3:10 P.M. The appropriate agency will be contacted if an adult fails to meet the responsibility of picking up the student(s) on time. We will make every effort to contact a parent or the emergency designee. If a student misses the bus, it is the parent's responsibility to pick the child up promptly. **Important Note:** Any person picking up a child who is not listed on the child's pick-up list must present a letter signed by the parent or legal guardian and a picture ID.

Attendance

To receive the maximum instructional benefit from classroom instruction, a child must be in **attendance** daily unless illness or a family emergency arises. Please phone the school at (301) 925-2330 when your child is going to be absent **and provide a written explanation upon the child's return to school.** It is the student's responsibility to make-up all assignments.

Early Dismissal

When a student is to be excused early, the parent must come to the office and sign the early departure book. The office will then call the child to the office for dismissal. Whenever possible please schedule medical and dental appointments after school hours.

ADULTS PICKING UP STUDENTS MUST HAVE A PICTURE ID. PLEASE DO NOT PICK UP STUDENTS EARLY BETWEEN THE HOURS OF 2:50 PM and 3:10 PM.

In Case of Emergencies or inclement weather, school may be closed or delayed. Stations WTOP, WWDC, WMAL, WRC and WOL, will make announcements several times during the morning. Please listen to the radio and/or T.V. (especially during the winter). You may also access the Prince George's County website at www.pgcps.org for school closings and delays. A two hour delay results in a 11:00 AM arrival time for our students. Breakfast is not served if there is a delayed opening

REPORT CARDS

*A letter system of marking is used for
Head Start thru Grade 1
(See Administrative Procedure 5121.1):
(Quarterly)*

P = Proficient - child can reliably demonstrate indicator
I = In Process - child demonstrates indicator with assistance
N = Needs Development - child does not demonstrate indicator
T = To be taught later

*A six-letter system of marking is used for grades 2nd – 6th
(Quarterly)*

A = Excellent progress at the level of instruction indicated 90-100%
B = Above Average progress at the level of instruction indicated 80-89%
C = Average progress at the level of instruction indicated 70-79%
D = Below average progress at the level of instruction indicated 60-69%
E = Unsatisfactory progress (failure) at the level of instruction indicated below 60%
I = Incomplete.

All students will receive Progress reports midway through each quarter. Letters that report unsatisfactory progress are sent home midway through each reporting period if children are doing “C”, “D” or “E” level work. With this warning and some additional help from home, it is our hope that the unsatisfactory grades can be brought up before the report cards are issued. Parents are asked to sign the bottom portion of the form and return it to the teacher. Continuously failing grades on report cards lead to retention in the current grade, for the following school year. According to the new grading policy, the lowest score that a student can receive on completed assignments is “50%”. A score of “0” will be given to students who do not attempt to complete or fail to submit an assignment.

Homework Expectations

Homework will be given to students on an increasing basis as children progress in school. All students will have reading book logs that must be completed and signed by you. It is recommended that parents set aside 15 – 60 minutes each evening for children to read, practice spelling, math and do assigned homework. Homework must be complete. Grade 6 students should allot a longer period of time. This is an important pattern in establishing responsibility when children are young.

Honor Roll Qualifications

Students in Grades 2-5 who qualify for each level of honor roll will be recognized in quarterly assemblies. The following criteria will be used to identify honor roll students at each level:

- **Distinguished Scholar:** Students with a 4.0 GPA with no grade on the report card below an "A."
- **Principal's Honor Roll:** Students with a 3.0 GPA or higher with no grade on the report card below a "B."
- **Honor Roll:** Students with a 3.0 GPA or higher with no grade on the report card below a "C."

Contacting

Personnel

Phone Calls

Students will not be called out of class to take phone calls from parents. If an emergency necessitates a child being contacted, an administrator or designee will assist as needed. Phone calls made for changes in dismissal procedures for your child will not be accepted without written documentation (See Dismissal). Cell phones must be turned off during the day at school. If you need to contact your child, please call the office and leave a message. Students are not allowed to make calls from class on cell phones. Every effort should be made to limit the use of cell phones at school.

Seat Pleasant Elementary invites parents to visit our school when they have an opportunity. If you have any questions or concerns please don't hesitate to contact the school and ask to have your child's teacher contact you for clarification. The school office is open each day from 8:00 a.m. to 4:00 p.m. When asking to speak with a teacher, please keep in mind that we cannot call the teacher from the classroom nor can we transfer calls during instruction time. A message will be taken and the teacher will return your call as soon as possible.

Parent Conferences

Communication is an essential part of the educational program. We feel it is very important for parents to keep in close contact with their child's teacher concerning his/her progress. Please schedule conferences in advance for a time that is convenient, before or after school. Our phone number is: 301-925-2330. All parents are encouraged to attend parent-teacher conferences.

Attention Visitors

Because the school staff is responsible for the safety of all students in the school, all visitors to the school must stop by the office first. You must be on the registration or contact form to visit classrooms. Parents and relatives are always welcome at Seat Pleasant and may visit at any time. **All visitors entering the building must have photo identification and sign in at the main office reception area.**

Student Information Sheets

During the first week of school, your child's teacher will be sending home an information sheet for you to complete. **Having this information returned promptly and correctly is of the utmost importance.** A record of this information is kept in the school office, in the event you need to be contacted. Please make sure all telephone numbers and addresses are accurate and clearly written. Remember to put the name and telephone number of a person who can be contacted in case of an emergency. Please notify the school if you change addresses or telephone numbers during the year. It is very important that your records are kept up to date.

Notes from the Nurse

Our school has the services of a full time nurse who is mainly responsible for dispensing medications, vision and hearing screenings, keeping immunization records up to date as well as applying first aid. **Please do not send sick children to school.** If your child becomes seriously ill at school, we will contact you immediately. Children who get ill at school will need to be picked up by parents and taken home. If we cannot reach you, we will use the emergency contact information you have provided. **It is very important to have current working phone numbers, and update them regularly as they may change.** Please remember we cannot keep seriously ill children at school. Children must be free of fever, vomiting and diarrhea for 24 hours without assistance of medication before they may return to school.

Medication

Medicine, including aspirin, cannot be administered by school personnel. Students who need to take prescribed medication or over-the-counter medication must have the appropriate form signed by the physician and parent before the medication can be brought to school. The medication and form must be left in the office with the Nurse.

Seat Pleasant Elementary Uniform Enforcement Policy

Seat Pleasant Elementary Community has adopted a mandatory uniform policy in accordance with Prince George's County Policy #600. Below is the described policy procedure.

Each classroom teacher will work closely with the students in his/her class and their families so that we may achieve 100% uniform compliance. This will mean developing a supportive relationship with the families. Most uniform concerns can be handled at this level. Any particular problem or resistance should be referred to the Principal or her designee. As staff members identify families in need of extra support, they are to be referred to the Principal/Designee. The administration will verify the need and help to attain uniforms for the child.

When a teacher feels he/she has tried to work with the parents concerning a uniform violation, but has been unsuccessful, the following steps will take place. These procedures have been established in conjunction with the Board of Education guidelines for consistent violations.

- **First violation:** The school representative will notify school administration.
- **Second violation:** The school representative will contact the parents/guardians by phone and contact administration.
- **Third violation:** The administration will call the parent/guardian and send home a written notification.
- **Fourth violation:** The administration will arrange a parent conference to reiterate the parameters of the policy and the consequences of future violations. Written notification will be sent home documenting the conference.
- **Fifth violation:** The student will be removed from class by administration and the student completes classroom assignments provided by the teacher in another part of the school.
- **Sixth Violation:** A parent/student conference will be held with administration and teacher.
