

CTE Career Explorers Summer Camp

| | |
|---------------------------------|---|
| Program Description | <p>The purpose of the CTE Career Explorers Summer Camp experience is to provide students with the opportunity to discover their passion in up to two of twelve industry concentrations of their choice. Through industry exposure, skill development, and project-based learning with educators and industry professionals, students will learn how to match their career interest with CTE pathway programs and high school programs within PGcps. At the end of this program, students will formally present their career development plans and industry projects in a capstone fashion.</p> <p>This two-week program is the first step in assisting students to make a more informed decision regarding their future educational and career options.</p> |
| Who Should Apply | <p>Rising ninth and tenth grade students of PGcps. All applications are accepted on a <i>“first-come, first- served basis.”</i> To ensure that students with disabilities graduate college, career, and community-ready, this camp will provide a continuum of services, specialized instruction, and related services.</p> |
