

Ministry of Business Services

Learn more about the various contracting opportunities in Prince George's County and in this region.

The Federal Government spends over \$100 Billion with companies in the Washington Metropolitan Area and \$26 Billion with companies located in Maryland. Also, Prince George's County leads the region in economic development, job growth and commercial construction.

Join the County's Compliance Manager, the County School System's MBE Coordinator, and a Relationship Manager from Wachovia Bank along with political officials (County Council) for an Informational Forum on prime and subcontracting opportunities for the County's small, minority and women business owners.

Special Invitation to Small, Minority and Women Business Owners!!

RSVP by October 26, 2009 to MinBusServ@corporate-resource.com

Don't let opportunities pass you by! Now is the time to position your company to win contracts with Federal, State and local Government agencies and with the major developers in the County. Learn who the contacts are for Konterra, a proposed \$3 billion mixed use development to be located outside the Laurel City Limits that is expected to create jobs and contracting opportunities for our community.

County Compliance Manager **Mirinda Jackson**, a true Advocate for small, minority and women business owners will share her knowledge and practical experience with participants on "Winning Strategies for Taking Your Business to the Next Level" and brief you on the various initiatives to enhance contracting opportunities for the Prince George's County business Community. Also learn about REAL opportunities that are taking place NOW!

When: Wednesday, October 28, 2009
