Rosaryville Before & After School Extended Learning Program (BASELP) is designed to enhance the children's social, cultural, educational, and physical development, as well as meeting the needs of parents by offering a safe, accessible and affordable school-based program.

EXTENDED LEARNING ACTIVITIES

The program has a wide range of activities provided by our sponsors, FUN, FLY & FIT and UNIVERSITY of MARYLAND NUTRITION CLASSES. Children are given opportunities to participate in art and cooking projects, drama and music activities, and play with games and manipulatives. Additionally, children can play sports, group games, computer activities, relax, begin homework assignments, and socialize in an atmosphere that supports their developmental needs.

Supper is provided daily.

GENERAL REGISTRATION

Parents must complete Registration and Terms of Agreement Forms, Health Inventory and Emergency Information Card. Forms may be downloaded at
