

Supply List

Supplies for Preschool Students

- BACKPACK that zips, large enough to fit a spiral size notebook, but not so big that it won't stay on child's shoulders without holding on to it. (No rolling backpacks or diaper bags please.)
- NOTEBOOK kept inside backpack for communicating with teacher. Composition book works well.
- CHANGE OF CLOTHES that will be kept at school for accidents. Label all clothes with child's name or initials.
- DIAPERS & BOX OF WIPES if your child is not toilet trained.
- BOX OF TISSUES
- ROLL OF PAPER TOWELS
- HAND SANITIZER

PLEASE LABEL ALL SUPPLIES/BELONGINGS THAT COME TO SCHOOL.

The following items are things that your child's teacher may also want you to supply, but not all teachers ask for these items.

- Paint Smock
- Additional Composition/Spiral notebook

Your child's teacher may request additional items as well. This list will be refined by your child's teacher when the teacher comes for the home visit.
