

HIGHPOINT HIGH SCHOOL FOOTBALL
3601 Powder Mill Road
Beltsville, MD 20705

I am the new football coach at High Point High School located in Prince George's county, Maryland. I have a challenging task ahead of me—building a solid, competitive football program which had a winless season last year, repeated coaching changes, and limited resources. I look forward to this charge with great pride. My vision for the future of our football program will be to develop and motivate upstanding young student-athletics by instilling in them the core values such as team commitment, discipline, hard work, and sacrifice. As I take the first steps toward building this football program, I seek the support of the High Point High School alumni, community, and those who love the game of football. In doing so, I offer you a great opportunity to make a monetary donation, in any amount, to the High Point High football program. Donations will be used to supplement our nominal football budget to purchase equipment such as new uniforms and additional helmets and shoulder pads. Please make check donations payable to High Point High School. In the memo section of the check state "football program". The school address is 3601 Powder Mill Road, Beltsville, MD 20705.
