

### Mission Statement:

High Point High School, as a Professional Learning Community, will implement rigorous student-centered and data-driven instructional activities to collaboratively prepare students for success as lifelong learners.

### Vision Statement:

High Point High School will become a school of high achievement and excellence. We will create and uphold a climate of high expectations through collaboration along with a shared vision of academic excellence. Everyone in the community has a role to play including teachers, students, staff, and parents. Upon completing high school successfully, students will be prepared to become productive citizens of society.

### SMART GOALS:

By the end of the 2009-2010 school-year, High Point will meet all adequate yearly progress criteria.

By the end of the 2009-2010 school-year, High Point will meet or exceed AMO/ HSA requirements by subgroup in all 4 core content areas.

During the 2009-2010 school-year, all members of High Point staff will support the policies and procedures relative to a positive, safe, and orderly environment through the implementation of effective disciplinary and management procedures.

### Values Statements:

Through shared planning times, parallel scheduling, common assessments, and regular reward/ remediation times (Eagle Time) a shared commitment to a collaborative culture will be established.

Best practices, data analysis, innovation and experimentation will be embraced as defining components of this collaborative culture.

Leadership in our Professional Learning Community is not reserved for administrative and coordinator personnel but is the responsibility of every member of staff and faculty.
