Interscholastic athletics will promote the health and well-being of students mentally, emotionally, and physically, thus creating positive psychological and academic outcomes.

The Bladensburg Athletics Department believes that all student-athletes should focus and enhance their academic achievement through PGCPS’ online education-based opportunities as well as the virtual webinars provided by the athletic department.

AD Trueblood will be involved in several leadership committees. Coaches will focus on system-wide and sports specific virtual engagement.

Specialized presentations and opportunities will be provided for the junior and senior athletes to prepare for the next steps in their careers.

Emphasis will be towards college and career, scholarships, social emotional wellness, applications and letters to schools.
FIRST SEMESTER
Three seasons will occur during the first semester with each season lasting five weeks.

A complete virtual schedule will be posted on the school website, athletics website and communicated to the athletes by AD Trueblood via the Remind App (class code: @MustangPride) and Google Classroom (class code: jcjigsy).

The virtual athletic program will not include tryouts and will be open to all students.
