The purpose of this Student Handbook is to provide information to all Cora L. Rice Students and to assist parents in understanding Prince George's County Public School policies and school procedures.

We believe that effective communication between school and home is extremely important for your child's academic success. Make your child's prompt attendance to school a priority. **INSTRUCTION BEGINS PROMPTLY AT 7:45 A.M. DAILY.**

**ATTENDANCE**

In accordance with Maryland Public School Laws all students are required to be in school daily. Students profit from regular, punctual attendance at school with as few interruptions as possible. Students are expected to be in attendance daily except for case of pupil illness, death in the family, quarantine, court summons, violent storms, and observance of religious holidays. Please send a note to your child’s teacher the day he/she returns to school. After a three (3) day absence, a doctor’s certificate is required. A parent note is required for absences less than three days. It is the **parent’s responsibility** to send in a note to the office the day the student returns. Excessive absences without a reasonable excuse may constitute truancy. Repeated absences jeopardize the pupils continued academic progress. When an absence is excused, the student will be informed of written assignments to be made up.

If a child is excessively tardy and/or absent, the following procedures are in effect at Cora L. Rice ES.

- If a student is habitually tardy or unlawfully absent, a **letter** will be sent to the parent.
- If the situation continues, the school will **call** the parent in an attempt to resolve the problem.
- If the same situation persists, the parent will receive another **letter** requesting them to contact the school to schedule an **APPOINTMENT** with school personnel.
- If after the first three attempts the problem still exists, a **registered letter** will be sent to the parent indicating that the matter will be turned over to the school’s Pupil Personnel Worker.

**BEFORE AND AFTER CARE**

The Before and Aftercare program, while housed at Cora L. Rice ES is not a program managed by the school. The program is managed by Prince George’s County Public Schools. Additional information for registration and cost may be obtained from their website: [https://www.pgcps.org/beforeandafterschoolelp/](https://www.pgcps.org/beforeandafterschoolelp/) or you can call 240-724-1675.

**ARRIVAL & DISMISSAL PROCEDURES**

If you plan to transport your child(ren) to school, it is expected that your child(ren) will exit the car quickly to help the flow of traffic. School begins at 7:45 a.m. Parents will not be allowed to park their cars in the drop off/pick up zones during arrival and dismissal. School ends at 1:55 p.m. All areas are fire lanes and no parking is allowed. All driving within this area is continuous and you will be motioned to continue driving and not impede traffic. If you plan to walk your child into the school building we have parking spaces available in the parking lot.

Walkers, car and van riders will be dismissed at 1:55 p.m. Students who remain for aftercare will be picked up from their classrooms by the aftercare staff. Bus riders will be dismissed as their bus arrives. All students should go directly home. In order to ensure the safety and well-being of your child(ren), your child(ren) must be picked up no later than 1:55 p.m. All staff members will be engaged in planning, meetings and/or conferences daily after student dismissal. If a bus rider is being picked up by a parent/guardian on a specific day, the parent must send a note to the teacher indicating the change in transportation for that day. The note should include the name, relationship and contact number of the responsible adult.

**EARLY DEPARTURE:**

Students are expected to complete a full day of school. **Instruction ends at 1:55 p.m.** Parents are encouraged to make medical appointments after school hours. When an early departure is necessary, a note indicating the time, date, and reason for departure must be presented to the teacher at the beginning of the school day. Remember to always report to the office when entering the building. Each child must be signed out in the office before being dismissed only to individuals authorized on the
Emergency Form. Students are never allowed to leave the building unescorted. Students must be picked up by 1:30 p.m. for early departure. Adults will be asked for photo identification to ensure the safety of the students.

BUS TRANSPORTATION
Prince George's County Public schools provide bus service to accommodate the transportation needs of the students within our schools. Effective and orderly bus transportation is absolutely essential to the accomplishment of our educational goals. Student disruptions on school buses are not only unsafe and costly matters, but have a definite effect upon discipline and respect, which must be maintained as a part of the educational process. The school bus must be a safe and orderly part of the school system. Students will adhere to the Procedures and guidelines for bus standards as delineated in Administrative Procedure 5131.1. Students may lose bus-riding privileges through a suspension policy if misbehavior is persistent and/or presents a danger. A student may be excluded from riding a bus without being denied any other education participation for inappropriate conduct restricted to his/her school bus behavior. In this event, parents must provide transportation to and from school for the duration of the bus suspension. A student’s privilege to ride a school bus may be denied up to five or more days.

Student Bus Rider Conduct Code:
The Board recognizes that pupil transportation is a privilege, and not a right. The Board also reserves the authority to create and require students who ride Prince George’s County school buses to follow a specific code of conduct. The code of conduct will provide standards for all students who ride school buses to ensure the safety of all those concerned.

Pupils must:
1. Be at designated stop ten (10) minutes prior to the published pick-up time.
2. Ride only bus or buses assigned to them. They may ride another vehicle, but only with permission from the School Administrator in charge of buses.
3. Remain seated while bus is in motion; keep noise down by talking in normal conversational tones; maintain normal classroom standard of conduct. Follow all instructions given by the bus driver.
4. Stay away from the bus as it approaches or leaves the bus stop location.
5. Not engage in activities that would endanger themselves or their companions while waiting for the bus to arrive at the bus stop location.
6. Board the bus in an orderly manner, only after the vehicle has come to a complete stop, and not until they receive permission from the driver.
7. Go directly to their seat and remain seated at all times while the vehicle is in motion.
8. Not eat, drink, or smoke on the bus.
9. Never extend arms, hands, head or any object from bus windows; this is extremely dangerous and a violation of the law.
10. Exit the bus in an orderly manner, while following the instructions of the bus driver. They should not stand while the bus is in motion. They should only stand when the bus is at a complete stop and only when the bus is at their bus stop location.
11. Respond to the bus driver with accurate information. This includes proper name, grade, or school name, or any other needed information, especially in emergency situations.
12. Obey the bus safety patrol or bus attendant.

VISITORS
We welcome visitors at any time during the school day. Parents or other visitors who wish to meet with a teacher, counselor or the principal are asked to call in advance so that a mutually convenient conference time can be scheduled. Upon entering the building through the main entrance, please report directly to the main office. In order to better protect our students, visitors and staff, all visitors are required to show a valid, government-issued ID. ALL Visitors MUST have a visible visitor’s badge to visit classrooms at any time.

  - (1) A student has cheated on a test, quiz, or assigned project.

HONOR ROLL
The purpose of the honor roll program is to recognize and honor secondary students who have attained outstanding academic success. The district-wide Honor Roll is designed to provide positive reinforcement that inspires all students to strive even harder and perform at their highest level in all subjects. All schools will implement this honor roll system that recognizes students for high academic achievement at the end of each marking period during the school year. Schools are required to recognize students for performance at two levels: Principal’s Honor Roll and Honor Roll.
Students qualifying for each level of honor roll will be identified by the Department of Student Applications based on grades entered on student report cards in secondary schools. The following criteria will be used to identify students at each level:

- Principal’s Honor Roll: Students with at least a 4.0 GPA with no grade on the report card below an “A”.
- A/B Honor Roll: All “A & B”
- Honor Roll: Students with at least a 3.0 GPA or higher with no “E”s

HOMEWORK
Homework is an extension of the learning activity that takes place in the classroom and parents can expect homework Monday through Friday and projects on a regular basis. Homework provides students an opportunity to practice, reflect upon and apply the skills and processes taught in the classroom. It aids students in the development of responsibility, self-discipline and work
habits. Homework also plays an important part in the computation of grades for all subjects. This information will be communicated through the school’s grading policy.

**PROGRESS REPORTS**
Parents are asked to communicate with their child’s teacher(s) at least bi-weekly to get an update on their child progress. Staff email addresses are listed on the school’s website. County progress reports are sent home quarterly for **ALL** students. Parents may inquire as to their child’s progress at any time and we encourage parents to use the **SchoolMax Parent Portal** to monitor their child’s academic progress. Report Cards are sent home at the end of each quarter. See the county’s website calendar for specific dates.

**COMMUNICATION/ CLASS DOJO**
Our instructional program will be far more effective with your active participation. **WE NEED YOUR HELP!** In order to keep parents informed of their child’s progress we encourage all parents/guardians to sign up for ClassDojo and SchoolMAX Parent Portal. Information for signing up for ClassDojo will be sent home the first week of school. Our teachers have utilized ClassDojo as a communication tool and grades are posted to SchoolMAX every week. If a parent wants to meet with a teacher, counselor, Assistant Principal or Principal, please send in a written request, email or call the Main Office in advance to schedule the conference. This will ensure that a mutually convenient time can be arranged, i.e. before/after school, or during teacher planning periods, etc. All parents are required to attend at least one parent-teacher conference per year. Parent communication will receive a response within 48 hours.

**EMERGENCY INFORMATION FORMS**
All parents/guardians are asked to complete an “Emergency Form” for each child enrolled at Cora L. Rice Elementary School. This card is extremely important and should be returned to the school immediately. This card provides the school with phone numbers to reach you in case of an emergency and where your child must go when school closes early. Please be specific with your instructions. It is important that this information is kept up to date. If you move or change phone numbers, please notify the office. If the school becomes aware of a change of address, the school may **withdraw** the child until proper documentation supports your living in Cora L. Rice Elementary School attendance boundary.

**DRESS CODE**
Cora L. Rice is a mandatory uniform school. The students in PreK – 2nd are required to wear navy blue slacks, skirts or jumpers and grades 3rd – 5th are required to wear khaki slack, skirts or jumpers. All students wear **light blue, white or navy collared shirts** (polo or dress shirts only). All shirts must be tucked in. Sandals, slippers, Chinese slippers or other open-toe shoes are not allowed. Students are permitted to wear navy sweaters or **hoodless** sweatshirts. Jackets, coats, hooded sweatshirts **may not** be worn in the building. Persistent dress code violations will be deemed as persistent disobedience or insubordination and will be dealt with in accordance with the Code of Student Conduct.

**CAFETERIA**
- **Breakfast – Free – In the classroom**
- **Lunch - $2.75 (Price subject to change)**

An automated payment procedure for breakfast and lunch has been implemented, thus requiring students to key in a pre-assigned number (PIN). It is recommended that payment for school meals be made in advance to reduce the necessity for money to be brought to school. Parents can use the Food and Nutrition site to gain access to pay for their child’s meal directly at [https://www.myschoolbucks.com/ver2/login/getmain?requestAction=home](https://www.myschoolbucks.com/ver2/login/getmain?requestAction=home). We highly recommend that parents put money into their child’s account on a weekly or monthly basis. In order to apply for free and reduced meals please access the website [http://www1.pgcps.org/foodandnutrition/](http://www1.pgcps.org/foodandnutrition/). A new lunch application must be completed each year.
**DISCIPLINE** – Cora L. Rice is a PBIS School (Positive Behavioral Interventions and Support)

It is necessary that children learn to develop self-discipline in order to be successful. We ask that you discuss with your child(ren) the importance of and need for good behavior and positive attitude while at school. Fighting, disrespect toward others, obscene language, destruction of school property, and disruption of the learning environment will not be tolerated. When school rules are violated students will be subject to the following procedure:

1. Verbal Warning
2. Time Out and phone call home
3. Report of student progress will be sent home. The parent must sign and return to the form to the teacher the next day.
4. If the behavior continues a discipline office referral form or PS-74 may be written and the student will be sent to the office for further consequences.
5. Detention (After School or Saturday School)
6. Consequences will be based on the Code of Student Conduct

The Code of Student Conduct is a set of rules and regulations adopted by the Prince George’s County Board of Education designed to maintain a safe and orderly environment necessary for effective learning. The Board of Education approves the following disciplinary actions:

A. Temporary removal from class
B. Suspension from school.

The Pupil Discipline Referral PS-74 is forwarded to the Principal/Assistant Principal by staff members for severe or repeated behavior infractions of the Code of Student Conduct. Parents who receive a copy of the PS74 are asked to review it with their child and follow appropriate action. As needed, parent conference date and time are placed on the PS 74. The signed PS 74 should be returned to the Principal or Assistant Principal. Parents will be informed of their child’s conduct through verbal or written communication from the Principal or Assistant Principal.

**SCHOOL-WIDE RAPTOR RULES (The 5 Bs)**

- Be Prompt
- Be Prepared
- Be Respectful
- Be Cooperative
- Be Responsible

**BULLYING, HARASSMENT/INTIMIDATION**
BULLYING (Board Policy 5143) Bullying, harassment or intimidation is not tolerated in the Prince George’s County Public Schools (PGCPS). If you suspect that you are being bullied, you should complete a Bullying, Harassment or Intimidation Reporting Form and inform a responsible adult—Principal, Assistant Principal, counselor, teacher, etc. Information on bullying can be obtained at https://www1.pgcps.org/antibullying/. All reports of bullying are held in strictest confidence and severe consequences will be applied to anyone for retaliation and “getting back” at someone who reports bullying.

EMERGENCY SCHOOL CLOSING/DELAYS
During the course of a year there may be a need for Prince George’s County Public Schools to be closed, opened later than usual or close early because of weather or other emergency conditions. Only the Chief Educational Administrator or his designee is authorized to make this decision. If this occurs an announcement will be made over area radio and TV stations as well as posted on the PGCPS website www.pgcps.org. In order to keep telephone lines open for emergency calls; parents are requested NOT to call the school, Central Office or radio stations.

If schools are scheduled to have a delayed opening for:
- 1-hour delay - Before and After Care opens 1 hour later
  - School buses will run 1 hour behind schedule
  - Breakfast will be served.
- 2 hours delay - Before and After Care opens 2 hours later
  - School buses will run 2 hours behind schedule
  - Breakfast will be served.

If schools are scheduled to close:
- 1 hour early, students will arrive at home 1 hour earlier than usual
- 2 hours early, students will arrive home 2 hours earlier than usual.
- Before and After Care parents will be notified via telephone

FIELD TRIPS
Field trips are to be considered extensions of the classroom experience and are an important part of the educational program. Students who have not actively participated in the instructional program or have persistent behavioral or safety concerns may not participate or must be accompanied by a parent/guardian. Funds are non-refundable for unexcused absences.

While on school-sponsored field trips, students are reminded that the Code of Student Conduct is in effect and consequences will be adhered to in the event of inappropriate student behavior while on a field trip.

FINGERPRINTING / BACKGROUND CHECK
Chaperones who will participate in a day field trip or an overnight school trip are considered to be volunteers and must undergo a commercial background check initiated by PGCPS through the Fingerprinting Office before performing duties. The volunteer is responsible for the cost of the fingerprint background check and CPS clearance check which cost $62.25. The background check will be waived for parents/guardians of a PGCPS student eligible to receive free and reduced-price meals, but they must provide a copy of the letter at the office. Both the fingerprint background and CPS clearance can be done at the Sasscer Administration Building located at 14201 School Lane in Upper Marlboro. It takes approximately 15 business days to complete the fingerprint background and CPS clearance check process.

HEALTH ROOM PROCEDURES /HEALTH RELATED CONCERNS
The Health Room is designed to take care of minor cleaning and bandaging of wounds that occur at school, and provide a temporary place for children who are ill and need to go home. Please make sure that the school has a record of all current
phone numbers in the event of an emergency.

In the event of a serious emergency, your child may have to be taken to the nearest hospital emergency room. Should such action be necessary, you will be notified as soon as possible, and will be responsible for any charges incurred.

MEDICATION
If a child is on medication, it is recommended that parents administer the medicine before and after school hours. This will help to avoid the handling of medication by our office. If you explain this to your physician he/she may be able to prescribe medication to be administered before and after school hours. If this is not possible, you must obtain a Medication Authorization Form from the nurse that must be filled out by your physician when prescription and non-prescription medication is prescribed and sent to school. This includes: asthma inhalers, aspirin, Tylenol, eye drops, cough drops, etc. Without this authorization form we cannot allow a child to take medicine at school.

MONEY/ VALUABLES AT SCHOOL
Students are responsible for their personal property. Personal property should be taken home at the end of each school day. Valuables such as money (in excess of lunch money or field trip money), PSPs, CD/MP3 players, cameras, music boxes, toys should be kept at home. If a student brings any of these items to school they will be confiscated and kept in the office to be picked up by the parent. Students are allowed to possess a portable electronic device (PED) while on school property, school buses, and during field trips and other school sponsored events. However, it is a violation of the PGCPS Code of Student Conduct to use such devices in a manner that will disrupt the school environment or impact the safe operation of the school bus. When students do not have permission to use PEDs, the devices must be turned off and be stored in the student's pocket, backpack, purse, locker or vehicle. If a student uses the PED without permission, or refuses to comply with a reasonable request by authorized school personnel, including school bus drivers, to turn off or store PEDs, the student will be referred to the school principal for an appropriate response. Students are not allowed to carry cell phones during the school day. If your child must have a phone it must be turned off/silent and stored. Phones will be confiscated by school personnel when used inappropriately. (Seeing them or hearing them or in the possession of another student).

PARENT CONCERNS
Parents who have questions or concerns regarding their child’s education are urged to first contact the teacher. The classroom teacher should be the first person contacted regarding classroom concerns. Concerns not resolved at the class/grade level should then be directed to the Assistant Principal or Principal. Matters taken initially to the regional office personnel or to the Board of Education Members are ultimately resolved by action at the local school level. Time is saved and communication is enhanced when the appropriate school based personnel is aware of the concern. When we, the staff at Cora L. Rice Elementary cannot answer your questions or facilitate a mutual resolution that is in the best interest of the children, we will assist you with contacting the proper authorities at a higher administrative level. Our goal is that all decisions will be made in the best interest of the children.

PARENT CONFERENCES
Parent conferences may be held at the end of the grading period or any agreeable time at the request of the parent. Please notify your child’s teacher for individual conferences. We are always willing to arrange parent conferences and we encourage parents to communicate with teachers via email, telephone or in person.

PARENT TEACHER ORGANIZATION (PTO)
Cora L. Rice Elementary school has an active and hardworking PTO. This organization provides an opportunity for parents, teachers and administrators to work together on various school-related programs. Meeting dates and times will be shared at Back to School night. Questions for the PTO may be directed to their email: clrespto@gmail.com
**LOST ITEMS**
Lost items will be located in the cafeteria in the lost and found box. Please label your child's sweaters, jackets and backpacks as these are the items most often misplaced. Unclaimed items will be donated at the end of each semester.

**TEXTBOOKS AND LIBRARY BOOKS**
Textbooks, library books and other books and materials are provided on a free loan basis. They are expensive and must be used for a minimum of 5 years. New textbooks cost an average of $120.00 per text. To prolong the life of books, all textbooks must be secured at all times. Textbook security is the responsibility of the student and parent. We urge parents to help us as we teach our students responsibility in taking care of school property. Parents are responsible for the replacement cost for any lost or damaged book. Students will not be permitted to participate in any extracurricular activities, field trips, or incentive activities, until the debt is satisfied.

Report cards and final grades may be withheld due to outstanding financial obligations. Administrative Procedure 6161.1, Issuance and Return of Textbooks and Other Education Materials (such as library obligations)
