August 17, 2020

Dear DKFI Community,

Hello Dora Kennedy French Immersion Community. I am proud to announce that Mme Sandrine Boukabara, has been appointed as your new Interim Assistant Principal, her appointment will be effective on Monday, August 24, 2020.

I would like to offer you some insight as to how Mme Boukabara has arrived at this position. Since she was a child, she has known she wanted to be a teacher. She received her Bachelor of Arts degree in English Language and Literature in 2002. Mme Boukabara continued with her education, receiving a Master's Degree with honors in English Language and Literature, from the University of Paris III - Sorbonne Nouvelle/New Sorbonne in 2005.

Mme Boukabara has vast knowledge and is acutely aware of the culture and history of the school, both as a parent and educator. All three of her sons have gone through the program, and she serves as an educator in the school.

Mme Boukabara joined Robert Goddard French Immersion in 2006 as a First Grade teacher, where she spent 9 years teaching, then she moved to Kindergarten in 2014, where she spent one year before being offered the Program Coordinator position for the now named Dora Kennedy French Immersion School in 2015.

As your new Interim Assistant Principal, I know Mme Boukabara will bring the same pride, passion, professionalism, and enthusiasm to this position, as she has done throughout her educational career.

Educationally yours,
