ABOUT US
Blended learning programs provide amazing flexibility in allowing students to continue their education by accessing coursework conducive to their individual schedules. However, these courses follow an accelerated schedule, weekly assignment deadlines, regular participation, and are as rigorous as an actual high school classroom.

ONLINE REGISTRATION
FOR 2020/21
Education Online Program takes place directly after school for day students in need of 1-2 credits towards graduation.

The Evening Virtual Program is a fully virtual option for students previously enrolled in one of the PGCPS Evening Schools.
