Dear Hoyer Parents and Guardians,

We are off to a great start with distance learning and know you will be pleased to hear that some additional resources are available to support our scholars. Please read below to identify the materials, dates and procedures applicable to your child(ren).

We have received a small number of refurbished computer devices that will be ready for distribution next week. Only if you have not previously received a device from Hoyer and your child is in dire need of a device for school use, please contact your child’s teacher via email by Monday, September 14, 2020. If you have a PGCPS Chromebook on loan that you no longer need, please place it in a ziploc bag along with a paper containing your child’s name and the charger. It may be dropped off on one of the Wednesday distribution days.

Please contact the school office at (301) 808-4420 if you have any questions.
