Aug. 14, 2020

Dear Kettering Elementary Families,

I continue to hope you are healthy and well. This is the second Summer Correspondence to you; the first was the Parent Welcome Letter, dated August 7, 2020. In that letter, it was shared that there will be Materials Distribution Days where items for pick would be available on August 24th 8:30 am - 11:30 am (Last names A - K) and August 25th 1 (Last names L - Z). Again, please note the days of pick up for students with Last Names beginning A - K for the 24th and Last Names beginning L - Z for the 25th. These items include the following for grades K - 5:

- Consumable Reading/English Language Arts Curriculum and Instruction materials
- enVisionmath 2.0 Common Core Student Workbooks
- Consumable Science Textbooks
- Chromebook distribution for those (K - 5 students) who have not received one in the Spring (please read the note below)

and

- PreK Student Resource Kits

On these perspective days, please note that no one will be permitted entry into the building. Please note the following:
1.) Social distancing will be practiced and distribution will take place from outside the cafeteria exit doors. In effort to provide efficient distribution of materials and to move lines forward, one person is recommended to pick up materials, and no more than two will be allowed at the distribution doors.
2.) You must have a mask
3.) Have and present a valid state ID (or Passport)
4.) Student’s report card, progress report, free and reduced lunch form, or pgcps document that has the student’s School ID fixated (for chromebook distribution)

You can expect to park and walk up once on the school campus. Instructional Materials Distribution will occur from tables on the cafeteria side (left of the building). Chromebook distribution will occur from tables in the front of the entrance/exit doors of the schools. Lastly, you may expect an update on Wednesday, August 19.
Note:
Nationally, there has been a high demand for the procurement of electronic devices, which has resulted in delay of receiving them for PGCPS. We have placed an order for our students and are awaiting delivery. If your child is currently utilizing a personal device in the home, we ask that they continue to do so until our order is received. We anticipate that additional devices will be available by September 21, 2020. Once received, you will be notified and a date and time will be scheduled for you to pick up a device. Your understanding is appreciated.
