

Parents: Please assist our scholars to have success in school!

1. ***Arrive at school on time.*** The first bell allows students in at 7:35 am, and the second bell signals class is beginning at 7:45 am. Breakfast is available in the classroom when students arrive.
2. ***Develop reading stamina.*** Students need to read for 15 minutes each day.
3. ***Study in advance for tests.*** Make sure students understand the vocabulary and review their notes from class.
4. ***Memorize math facts.*** Knowing the math facts makes solving difficult word problems much easier.
5. ***Mind your manners.*** Be sure to use please, thank you, and I'm sorry to build positive relationships with students and adults.
6. ***Ask to see your child's class work and agenda book.*** The students record their homework assignments each day. It is helpful for parents to review them with the student to make sure they are completed.
7. ***Prepare at night.*** Before going to bed, lay out tomorrow's outfit, make sure lunch or money is ready and the backpack is packed with homework and other books. Place the backpack, shoes and jacket by the front door. This will help eliminate morning issues. ***Add money to the lunch account.***
8. ***Come to school ready to learn.*** Establish a bedtime routine. After a good night's rest, students are ready to tackle their school responsibilities.

We Strive with Lion's P.R.I.D.E
