July 22, 2020

Greetings Staff, Parents and Community Members,

Welcome to the 2020-2021 school year! I am so excited that I have been given the opportunity to lead one of the best high schools in Prince George's County. I am looking forward to working with the staff, students, parents and the community as we continue to build upon student success.

Education has been my passion for over 25 years. I am a native of Detroit, Michigan, and I began my educational journey teaching middle and high school students for 4 years in Dayton and Cincinnati, Ohio. I have lived in Prince George's County, MD for 21 years. I taught English for 4 years at Andrew Jackson Middle School and 2 Years at Potomac High School. I always knew that I wanted to pursue a leadership role in education, because I've always desired to help improve neighborhood schools. I've served as an Assistant Principal for 14 years (4 years at Potomac High School and 10 Years at Bowie High School). My years of experience have included: improving instruction, creating a positive culture for teaching learning, providing a safe and supportive environment as well as building relationships with staff, students, parents and community partners in an effort to increase academic success.

I believe that we all play a vital role in educating our students and providing opportunities for students to learn and grow. It is our duty to set high expectations for all students and provide the support needed to yield success. I eagerly look forward to collaborating with you as we work together to: prepare students to be college and career ready and celebrate our academic success.

My commitment is to continue to build upon the great things that are taking place at Largo High School, as we work together to ensure that all students will be equipped with the knowledge, critical thinking skills and the support needed to successfully graduate. I look forward to developing relationships and collaborating with you. I know that together we will continue to challenge our Largo High School students to strive for Academic Excellence.

Educationally,

Kimberly Ford

Kimberly Ford
Acting Principal, Largo High School
