I. **PURPOSE:** To provide procedures to ensure that a criminal history background check, child protective service clearance and Safe Schools training is completed for any person authorized to have contact with students and prior to the individual having contact with any student(s). Such persons include, but are not limited to employees, contractors, volunteers, interns and mentors.

II. **DEFINITIONS**

A. **CHILD PROTECTIVE SERVICE CLEARANCE CHECK:**

Child Protective Service clearances are completed through PGCPS and involve the submission of an applicant's information to Prince George's County Department of Social Services to confirm if the applicant is the subject of an investigation or has been found indicated, substantiated or unsubstantiated in a child abuse or neglect case. The search will include review of the Maryland Children's Electronic Social Services Information Exchange ("MD CHESSIE"), a statewide-automated case management system; the Department's Client Information System (CIS); or the Central Registry, a component of the CIS or other confidential computerized database that contains information regarding child abuse and neglect investigations.

B. **COMMERCIAL –BASED STATE CRIMINAL HISTORY CHECKS:**

Commercial background checks completed through PGCPS involve a comprehensive court records search throughout the State of Maryland, based on written information provided by the applicant. No fingerprints are taken.

This type of background check is only required of referees, officials, and any youth /student worker under 18 years of age.

C. **FINGERPRINT-BASED NATIONAL and STATE CRIMINAL HISTORY CHECKS:**

Pursuant to Federal and Maryland law, PGCPS conducts a national and state fingerprint background check on all individuals who will have direct contact with children under the supervision of PGCPS. The process must be completed through PGCPS and involve a full fingerprint supported criminal records check through the CJIS (Criminal Justice Information System), a State of Maryland legal database. Criminal background results are usually received by PGCPS from the State of Maryland and FBI within seven working days. Employees and volunteers only need to undergo the full fingerprint background check one time, subject to the exceptions provided in Section IV of this Procedure.

D. **BUSINESS DAYS:** Any day in which PGCPS central offices are open.
