Coordinator**

We believe working together will improve student academics and attendance. When schools, families, and communities collaborate children have a better chance of success. This Plan At-a-Glance was jointly developed with and distributed in English and Spanish (if applicable) to all Springhill Lake families and faculty.

School Vision/ Mission

Springhill Lake ES is committed to ensuring that each and every student achieves his or her potential in a safe, positive, and nurturing environment. We will prepare students for college and career readiness by immersing them in rigorous instruction that is implemented through technology, effective teaching and learning, field experiences and ongoing partnerships with parents and community.

Parent Policy Goals
2015 - 2016

Objective:

To ensure collaborative partnerships among school, parents and community, Springhill Lake accepts the Prince George's County Board of Education system-wide Family Involvement Policy and has aligned the goals, objectives and activities herein accordingly.

Goal 1: By June 2016, 100% of the parents and families of Springhill Lake will be encouraged to participate in the education of their children at home and at school.

Goal 2: By October 2015, Springhill Lake will establish an effective plan for two-way communication with all parents and families, respecting the diversity and differing needs of families.
Communication : student Agenda book, Wednesday Folder, school website, call-out system.

Goal 3: By June 2016 Springhill Lake will develop strategies and programmatic structures at school to empower parents to participate actively in their children's education. SHL will establish a Parent Academy.

Goal 4: By June 2016, Springhill Lake will connect students and families with community resources that provide educational enrichment support.

Goal 5: By October 2015, Springhill Lake will involve parents and families as partners with the instruction process. Students will use student journals.
