Dear Families,

Welcome to our 2020-2021 school year! I am very excited to be your child’s teacher this year! I would like to take the opportunity to introduce myself to you. My name is Elaine Marasigan and I have been part of High Bridge family for three years. I currently hold a Bachelor’s Degree in Elementary Education with a major in Special Education along with a Master’s Degree in Curriculum and Instruction. Before coming to High Bridge I taught at a private school for six years and have been a pre-k teacher at Gladys Spellman ES for four years. I am from the Philippines and have been a teacher there as well for over six years. I have a wonderful and supportive husband and his name is Richard and we are blessed to have two daughters- Maggie and Malia. As a family, we enjoy going on trips, watching movies, eating out, or simply catching up with relatives back home.

This year is going to be unique and challenging but hopefully still exciting and engaging year for you and your child. Though we will start the class as virtual, our kids will be given opportunities to learn through personal experience while I guide them along on their journey. I look forward to teaching our students Reading, Math, Science and Social Studies which will provide them with the appropriate knowledge and skills in order for them to be the best that they can be.

A key component for a successful year includes open communication between parent and teacher. By working together, we can ensure that each child receives a fulfilling learning experience. Please feel free to contact me at any time with any questions or concerns you may have. You may email me at elaine.marasigan@pgcps.org.

I am inviting you to a virtual parents’ orientation on August 28 at 10am. A zoom link has been sent to your email already. I hope to see you all there! Looking forward to a wonderful year of partnership with you!

Sincerely,

Elaine Marasigan
