Hello Kindergarten Families!

My name is Shawnice Williams and I am very excited to be one of Kindergarten teachers for the 2020-2021 School Year. This school year will be very different in comparison to what we are accustomed to, however, we are in this together and we will make it a success! While our class meetings will be virtual, it is very important for everyone to arrive on time everyday, fully dressed, seated in an appropriate learning environment, with all of their materials that they will need each day, including lunch. I have high expectations for all of the Kindergarteners this year, and we will work together to ensure achieves academic success! I look forward to meeting with everyone at our Kindergarten Orientation on Friday, August 28th!

Love, Ms. Williams

A Little Bit About Ms. Williams

I want to tell you a little bit about myself! This is my 6th year teaching. I have a 7 year old daughter, Laila, and a Yorkie named DJ. My favorite foods are Shrimp Alfredo and crab cakes (yummy!), and I also encourage healthy eating and trying new foods. Some of my favorite things to do during my spare time are spending time with family and friends, traveling to the beach, visiting new lakes and trails in the DC/MD/VA Area, reading, and exercising.
