April 10, 2019

Dear Parents and Guardians,

As you may be aware, there were several incidents this morning that involved Charles H. Flowers High School students.

At approximately 6:35 a.m., Bus 4104 was involved in a major accident near Surratts Road and Branch Avenue in Clinton. Two students and the bus driver were transported to the hospital for a medical evaluation. Both students were treated and released. Later that morning, Bus 065 was involved in a minor accident on the corner of Lottsford Vista and Yellow Wood Lane. There were no major injuries and students were not transported to the hospital.

In a separate incident, the school was briefly evacuated shortly before 8 a.m. due to the strong odor of gas in the cafeteria. Once the building was cleared to return, the school day continued without interruption.

As we dealt with each incident, I am pleased to share that we had cooperation and collaboration at every step from students, families, staff members and our Transportation and Building Services teams. We appreciate all of your assistance today.

If you have any questions or concerns, please contact me at 301-636-8000 or ronald3.miller@pgcps.org.

Thanks for your continued support of Charles H. Flowers High School.

Sincerely,

Mr. Ronald Miller, Jr.
Acting Principal
