By law, every 10 years the U.S. Census counts every resident in the United States. Your participation determines representation and how billions in federal funds are distributed. If our community is undercounted, friends and neighbors miss out on an estimated $18,250 per person over a 10-year period. Statewide, that’s a total of $26.6 billion over a 10-year period.

HOW THE U.S. CENSUS IMPACTS OUR COMMUNITY

**REPRESENTATION**
Determines the number of legislators Maryland has in U.S. House of Representatives.

**SERVICES**
Funds our roads, schools, SNAP, CHIP, WIC, school lunches, and many other programs.

**COMMUNITY FUNDING**
If our community is undercounted, we miss out on $1,825 per person each year.

**OUR FUTURE**
Informs our planning for transportation, housing, schools, emergency response.

**JOBS**
Statistics help attract businesses and drive economic development.

**EASY**
You can complete your census survey by mail, phone, or online.

**ACCESSIBLE**
You can respond in 12 different languages over the phone or online.

**SAFE**
Your personal information is confidential, including citizenship and other sensitive data, by law.
